MEET OUR STAFF!

Meet Alan! Alan has been an installation technician for Microcom for the past six and a half years. He has recently been selected as a top-performing technician. Alan started with Microcom in Hawaii. Having the opportunity to visit Alaska on a Microcom assignment, Alan decided he loved it so much he had to move there! He has been working from our Soldotna location ever since. We asked Alan to tell us a little about his job. Here is what we found out:

- **Describe your job in three words.** "Honest, Skilled, Professional"
- **If you could switch your job with anyone else within Microcom for a month, whose job would you want?** "Chuck Schumann, the Vice President of the company."
- **What is your proudest moment at Microcom?** "I was recently recognized as the top technician company wide exceeding company goals and matrix. I set a goal for myself and was challenged by the company with a goal to meet and I was able to exceed the goal which was very gratifying."

CONGRATS SUPER BOWL 50 CHAMPIONS!
